## Winter Hazards

In an effort to keep our drivers safe during winter conditions, we appreciate your assistance in keeping your neighborhood streets, alleys and driveways safe during the harsh winter season.

Here are some things to remember for the upcoming winter season. Please keep the end of your driveway clear of snow and ice. Place your recycling bin on the opposite side of your trash cart on your collection day.

On your collection day please keep the street clear of cars, trailers, holiday decorations and any other obstructions which may hinder the collection process on your day of pickup.

Our drivers at Dick's Sanitation thank you for your cooperation.

## Holiday Collection Schedule

Due to Christmas and New Years falling on the weekend this year, your collection days will not change. For more information see our calendar of events on the home page of our website dickssanitation.com.
