

Pink Cart

We here at Dick's Sanitation would like to thank all our customers who participated in the Pink Cart program in 2011. Your generous donations raised \$ 1,099.80 for the Angel Foundation and Dick's Sanitation matched that amount.

We want to remind you, we are committed to this cause and want to raise even more money in 2012. We have set a goal of raising \$5,000 in donations, matching that amount and sending the Angel Foundation a check of \$10,000. Please help us in reaching this goal. If you have not ordered a Pink Cart or made a donation, please make the time to do so. Our Customer Service Representatives are ready to answer any questions you may have about this program. Give them a call at 952-469-2239.

Compost Season begins April 9th

We are getting ready for the 2012 compost season. The season runs from mid April thru mid November depending on the weather.

We offer two types of compost service:

Seasonal compost: (BEST VALUE) The service is for our customers who would like a weekly compost service. You would receive a 65 gallon compost cart, which would get dumped weekly. Addition to the 65 gallon cart you would be able to have out 5 paper compost bags or 5 bundles (3ft x 3ft) for pick up as well.

On Call Compost pick up: this service is for our customers who only periodically need yard waste pick up. We would need a call at least a day before your normal trash pickup day to schedule an on call compost pick up. Each on call pick up you can have out up to 10 paper compost bags or bundles (3ft x 3ft).

Due to excess weight of these materials, please DO NOT include rocks, excess dirt, dog waste, sod and or sand – these items will damage the cart and can injure our drivers.

NEW ITEMS ACCEPTED WITH YOUR RECYCLING

Dick's and Lakeville Sanitary are please to inform our customers that we are now accepting plastics #1 thru #7, this includes food, beverage, and packaging material. There are a few restrictions on the numbers #1 thru #7; we are NOT able to except plastic bags, packing peanuts, Styrofoam, or Tupperware containers. Please give our office a call if you have questions on the new items that are able to be recycled.

Still paying off those Holiday Bills??

Let Dick's Sanitation help you earn some extra cash. For the month of January and February, for any family, friend or neighbor you refer to us, you will get \$15* per referral for up to \$150. If you refer 10 or more new customers, you will be eligible to enter a drawing for a year of free trash service.

Free up some of that "disposable" income and let everyone you know about the great service you are receiving from Dick's Sanitation. Get them to sign up now!
