DRIVEWAY WAIVER

DSI takes extra precaution by placing all 10, 20 and 30 yard roll offs and 2, 3, 4 and 6 yard dumpsters onto wood planks to eliminate dumpster and driveway contact while dumpsters are being loaded.

I acknowledge and agree that DSI/LSI is not responsible for any damage to pavement, asphalt, dirt, gravel and/or subsurface. I hereby release, discharge and waive any and all actions, and cause of actions, and claims for property damage to driveways, sidewalks, parking areas and associated structures, sub-grade, and area approved by customer that may be caused by DSI/LSI equipment when utilizing a route necessary to perform the service requested.
